

Inside Hospitality Client Referral Program

Inside Hospitality™ offers a referral fee to anyone who recommends a client(s) who engages us to complete a coaching program, consulting program, mystery shopping or any other approved Inside Hospitality™ company solution under the following conditions:

- All referring agents must notify Inside Hospitality™ (by written documentation) prior to the engagement of a referred source. If the prospective client contacts us prior to any acknowledgment on the part of the referring source, no fee will be issued.
- The referral fee will amount to 15% of the coaching program or consulting project engaged in by the prospect.
- Referral fees will also be issued for each and every subsequent program or project engaged in with the referred client, for as long as that client engages Inside Hospitality™ programs or services.
- All fees will be issued once payment in full has been received by the client.
- No proprietary information or personal client information will be distributed to any referring source, for any reason.
- This referral fee policy and any of its conditions may be changed by Inside Hospitality™ at any time, with or without notice and totally at the sole discretion of Inside Hospitality™.

If you have any questions about this, or any other Inside Hospitality™ policy, please feel free to contact us.
